Health Talk on Awareness of Head & Neck Cancers held at ICG

Friday, 2nd May, 2014

The International Centre Goa (ICG) in association with Manipal Hospital organised a talk on “Awareness and Treatment of Head and Neck Cancers” by Dr. Swati Lambor, ENT Consultant. This was held at ICG at 6.00pm on the 2nd of May, 2014 as part of the regular Friday Health Talks.

Dr. Lambor elaborated on the types of head and neck cancers with their causes and symptoms. She further explained the diagnosis and treatment of the same. She then concluded by saying that all head and neck cancers are preventable, that regular health check up is helpful and that warning signs should not be ignored.
