

**Dear Member,**

***Greetings from The International Centre Goa!***

I am pleased to present to you our Annual Report for the year 2012-13 of our programs and initiatives along with the audited accounts for the year ended 31<sup>st</sup> March 2013. The Centre has had a vibrant year with over 160 seminars, workshops etc being organized; that's around 50% more than the year before. We have reiterated our commitment and efforts by maintaining our eco-friendly initiatives along with the cultural, academic and literary initiatives. Our membership too has grown faster during the year bearing testimony to the Centre's fruitful endeavours.

**Infrastructure:**

TUV has accredited the ICG with the ISO 9001:2008 certification so we've regularized most of our processes and procedures to meet the ISO standard. Our communications and postings are on Intra departmental folder of information and converted our internal communication on e-channel thereby promoting a paperless office.

Our recreation complex is used more as a health club. Different classes are organized including Yoga / Taekwondo / Kick boxing etc. The Gymnasium is added with one more body solid machine for complete exercise. Our pool and Spa has added to the charm of our recreation centre with beautiful grass lawns by the side.

There haven't been any significant additions or renovations to our infrastructure this year. A few plans are set to materialize by the end of the next financial year.

**Ms. Nandini Sahai**  
Director / Chief Executive,  
The International Centre Goa
